

Get Career Fit

CareerFit will help you with planning for your career, and will give you the confidence to take the next steps towards a wide variety of further training and employment options.

Employment options may include jobs that have an aspect of physical fitness such as the...

Health & Fitness Industry, Building & Construction, Infrastructure, Warehousing, Driving, Police, Army, etc.

At EmployNZ our classes are smaller, the tutors are friendly and the learning is fun with lots of activities.

CareerFit is a 26 week course (80 credits).

We help our graduates find employment
