

# Creative Tech Level 2

**Achieve NCEA Level 2 and learn how to confidently communicate ideas using creative technologies.**

Our Creative Tech course is designed to help you start building your creative portfolio by giving you the confidence to work with creative software to generate, refine, and publish your ideas using digital media.

**Learn about:**

- How you will engage with the creative process to generate and communicate ideas.
- Collaborate with others to explore, refine and publish ideas in a creative environment.
- Using digital devices, software, media and tools to bring your ideas to life and share it with the world.

**NCEA Level 2 - Vocational Pathway - Creative Industries**
